A THOUGHT FOR SUNDAY

This week we are looking at the Hebrew word for “love” in the Old Testament, *ahavah*. What we learn from the story of the Bible is that Yahweh not only feels love for all the world, he also acts from love. We are told that when Yahweh rescued the Israelites out of slavery in Egypt, it was because he loved them. He felt love, and he showed his love by rescuing them from oppression. After Israel was restored, they were called to show that same kind of active love to those who were socially disadvantaged in their midst. God’s love is a gift to share.

Most of us feel overwhelmed by the immense pain and suffering in our world today. It’s easy to see how much there is to remedy and conclude that our actions won’t make a meaningful difference. But God’s love equips us to face these important issues in practical ways that make an impact. Let’s consider this together as we reflect on the meaning of *ahavah*.

Listen

Listen to a short message from Tim on the Hebrew word for "love." You can listen to this on your own or with a group. If you are leading a small group or family, feel free to listen to the message and contextualize it for your needs.

SUNDAY HYMN

HAPPY ARE THEY, THEY THAT LOVE GOD

262

Happy are they, they that love God,
Whose hearts have Christ confessed,
Who by his Cross have found their life,
And 'neath his yoke their rest.

Glad is the praise, sweet are the songs,
When they together sing;
And strong the prayers that bow the ear
Of heaven's eternal King.

Christ to their homes giveth his peace,
And makes their loves his own:
But ah, what tares the evil one
Hath in his garden sown!

Sad were our lot, evil this earth,
Did not its sorrows prove
The path whereby the sheep may find
The fold of Jesu's love.

Then shall they know, they that love him,
How all their pain is good;
And death itself cannot unbind
Their happy brotherhood.

REALLY IMPORTANT TO READ

RECOMMENCING SERVICES IN THE CHURCH BUILDING

The PCC held a special meeting in July via Zoom to discuss the Risk Assessment required for holding services in church. Even in the large All Saints building, only up to **35 individuals/households** can be accommodated to comply with social distancing requirements.

The PCC agreed that it would be prudent initially to start with a **Service of the Word on Sunday mornings**. Members were unanimous that the **Zoom services** are a success and should be **continued**.

However the PCC will be considering how to move forward with holding communion services.

Thank you for your patience!

GUIDLINES

It is a joy to start the return to holding services in the church building. However, precautions need to be taken to ensure this is as safe as possible.

If you are planning to attend a service in church, the PCC requests that you carefully read the following guidance beforehand:

1. Only come to a service in church if you are **feeling well**, and there is no one in your home with Covid 19 symptoms

REALLY IMPORTANT TO READ

- 1. Bring a facemask:** you are requested to wear this when entering the church building and when standing and moving around.
- 2. Enter the church** through the usual, west door, or through the south door at the side.
- 3.** If others arrive at the same time as you, check you are **respecting 2m social distancing** as you queue. Please read any additional signs about H&S as you wait.
- 4.** On entering the church, thoroughly **use the hand sanitiser** provided.
- 5.** A Sides person will **record your name** and this will be kept for 21 days. Should you become ill with Covid 19 symptoms, please inform the parish office, so that track and trace procedures can be alerted to ensure the safety of all.
- 6.** You will be directed to **sit at a wooden pew place marked** with a green tick. Please bring your own cushion/blanket if required and take home with you.
- 7.** Instead of a collection plate being handed round, your **contribution can be left in the plate** as you leave. A contactless **card reader** is also available for donations.
- 8. Stay seated during the service.** If you wish to speak to anyone near you afterwards, remain seated.
- 9.** When you are ready **to leave** the church building both doors can be used: **take care to do this observing social distancing**, and whilst in the churchyard.

BEWARE OF SCAMS

A NEW SCAM

You may have seen on social media that someone is creating email accounts in the name of vicars and then using them to contact members of their congregation - I think they are lifting email addresses from the Church websites. You may receive a message allegedly from me asking if you could make contact about a "delicate issue" but not to phone me I was in a prayer meeting. It seems that anyone who replies directly to the email will then be asked to hand over cash or vouchers. Be careful about responding to any suspicious messages purporting to come from the vicar.

Be vigilant and if concerned just ring me and please spread the word,

Thanks Silke

CHARITY NEWS

THE CHARITY FOR JULY, AUGUST AND SEPTEMBER IS

Leonard Cheshire  **SOBELL LODGE**

with which I am sure you are well acquainted.

It gives me great pleasure to promote Sobell Lodge as the Charity for July August and September as 63 years ago my brother, paralysed from the neck down, became a resident at the London Cheshire Home at Dulwich. I, therefore, urge you to give as generously as you possibly can to support this truly local charity.

HARD PLASTIC LIDS

Thank you to everyone who has continued to save clean hard plastic lids.....and all who will start now. Please either keep them until restrictions at church are lifted or drop them off to 41, Hanmer Way. You do not need to wait until you have a bag full. The lids go to Lush in Maidstone who have them recycled into children's playgrounds, or into containers for their products.

CHARITY NEWS

CHARITY COLLECTIONS

Our quarterly charities have had a similar problem to other charities. With our church closed for the whole of the Pancreatic Cancer UK quarter it became difficult to donate. Those of our congregation who have orange charity envelopes can now put them in the wall safe in church. Anyone else who wishes to support Pancreatic Cancer UK may still put their donation in an ordinary envelope and write the name of the charity on the outside and put it in the wall safe in church. This Sunday launches our new quarterly charity which is for Sobell Lodge. Do please follow the same procedure for donating. If you have any problems with delivering your donation to church please let Audrey Bullock know, tel. 891940, and she will help you.

Thank you. *Charity Committee.*
