A THOUGHT FOR SUNDAY

Generosity

Dr. Tim Mackie

How did Jesus respond in a time of scarcity? This week, we look at the generosity of God, modelled for us in the way of Jesus.

Something happens inside of human beings in times of crisis. Our instincts for self-preservation kick in, and we begin to cultivate a scarcity mind-set. It becomes very easy to focus on the well-being of ourselves and our family and forget the difficulties of others around us. We are especially prone to this behaviour in times of uncertainty.

Jesus of Nazareth was no stranger to this kind of social instability. He grew up in land occupied by a foreign military, and oppressive Roman taxes made life difficult for his family and neighbours. Yet he called his followers to a very different kind of response. He taught that our obsession with self-preservation not only makes us more miserable and anxious, it actually creates more of the thing that we're trying to avoid.

LISTEN

Join Tim in a short meditation on the theme of generosity. You can listen to this on your own or in a group. If you are leading a small group or family, feel free to listen to the message and contextualize it for your needs.

SUNDAY HYMN

I HEARD THE VOICE OF JESUS SAY

310

1 I heard the voice of Jesus say,
"Come unto me and rest;
lay down, O weary one, lay down
your head upon my breast."

I came to Jesus as I was,
weary and worn and sad;
I found in him a resting place,
and he has made me glad.

2 I heard the voice of Jesus say,
"Behold, I freely give
the living water; thirsty one,
stoop down and drink, and live."

I came to Jesus, and I drank
of that life-giving stream;
my thirst was quenched, my soul revived,
and now I live in him.

3 I heard the voice of Jesus say,
"I am this dark world's Light;
look unto me, your morn shall rise,
and all your days be bright."

I looked to Jesus and I found
in him my Star, my Sun;
and in that light of life I'll walk,
'til trav'ling days are done.

RECOMMENCING SERVICES IN THE CHURCH BUILDING

The PCC held a special meeting in July via Zoom to discuss the Risk Assessment required for holding services in church. Even in the large All Saints building, only up to **35 individuals/households** can be accommodated to comply with social distancing requirements.

The PCC agreed that it would be prudent initially to start with a **Service of the Word on Sunday mornings**. Members were unanimous that the **Zoom services** are a success and should be **continued**.

However the PCC will be considering how to move forward with holding communion services.

Thank you for your patience!

GUIDLINES

It is a joy to start the return to holding services in the church building. However, precautions need to be taken to ensure this is as safe as possible.

If you are planning to attend a service in church, the PCC requests that you carefully read the following guidance beforehand:

! Only come to a service in church if you are **feeling well**, and there is no one in your home with Covid 19 symptoms

REALLY IMPORTANT TO READ

1. **Bring a facemask:** you are requested to wear this when entering the church building and when standing and moving around.
2. **Enter the church** through the usual, west door, or through the south door at the side.
3. If others arrive at the same time as you, check you are **respecting 2m social distancing** as you queue. Please read any additional signs about H&S as you wait.
4. On entering the church, thoroughly **use the hand sanitiser** provided.
5. A Sides person will **record your name** and this will be kept for 21 days. Should you become ill with Covid 19 symptoms, please inform the parish office, so that track and trace procedures can be alerted to ensure the safety of all.
6. You will be directed to **sit at a wooden pew place marked** with a green tick. Please bring your own cushion/blanket if required and take home with you.
7. Instead of a collection plate being handed round, your **contribution can be left in the plate** as you leave. A contactless **card reader** is also available for donations.
8. **Stay seated during the service.** If you wish to speak to anyone near you afterwards, remain seated.
9. When you are ready **to leave** the church building both doors can be used: **take care to do this observing social distancing**, and whilst in the churchyard.

CHARITY NEWS

THE CHARITY FOR JULY, AUGUST AND SEPTEMBER IS

Leonard Cheshire  **SOBELL LODGE**

CHARITY SUNDAY for SOBELL LODGE

Next Sunday, August 9th, is Charity Sunday. Please put your orange envelopes, or a plain envelope with Charity Sunday on the outside, either in the collection plate or in the wall safe in the vestibule. Thank you.

Charity Committee

HARD PLASTIC LIDS

Thank you to everyone who has continued to save clean hard plastic lids.....and all who will start now. Please either keep them until restrictions at church are lifted or drop them off to 41,

Hanmer Way. You do not need to wait until you have a bag full. The lids go to Lush in Maidstone who have them recycled into children's playgrounds, or into containers for their products.

Social Responsibility Committee

CHARITY COLLECTIONS

Our quarterly charities have had a similar problem to other charities. With our church closed for the whole of the Pancreatic Cancer UK quarter it became difficult to donate. Those of our congregation who have orange charity envelopes can now put them in the wall safe in church. Anyone else who wishes to support Pancreatic Cancer UK may still put their donation in an ordinary envelope and write the name of the charity on the outside and put it in the wall safe in church. This Sunday launches our new quarterly charity which is for Sobell Lodge. Do please follow the same procedure for donating. If you have any problems with delivering your donation to church please let Audrey Bullock know, tel. 891940, and she will help you.

Thank you. *Charity Committee.*

ONLINE COURSE

Please note – due to the nature of the material, this course is only suitable for those living in the UK.

How does it work?

The course is run as a series of four interactive modules hosted live online. Depending on the course format, these are either run as four sessions of half an hour each, or as two sessions of an hour each.

Each session includes space for practical exercises which help unpack the topics covered, and there is the opportunity to discuss these with the course leader and other guests if you would like to. As well as the live sessions, there are two additional sessions which we will ask you to complete on your own – one before the course starts, and one after the end of the course.

There is also a comprehensive Guest Handbook to accompany the course which also includes additional material.

What do others say about the course?

“It made what I felt was very complicated, very simple. I have a clear idea of what I need to do to take control of my finances”

“A big big thank you - we were in such a bad place before the course but so much happier now”.

“[The Course] has been really significant for me. It has made me face up to the anxiety I was feeling and given me practical tools. I loved the weekly accountability and having a place to talk.”

Once the course is available, what happens when I sign-up?

We will send you (within a few days):

- details of how to join a Zoom call online for each live session
- a link to the first video session which you can undertake before the course starts
- a downloadable copy of the Guest Handbook. You can also buy a copy of the Guest Handbook as a printed book if you wish, by following this link.

PRAYER UPDATES

Dear Friends,

Greetings, and welcome to an email of what we hope will prove some useful prayer updates. A special welcome to those of you who have signed up to the mailing list since the last email went out – it's a joy to be in touch with you.

1. Listening and Discerning on the Way Together

An invitation from Bishop Rose:

The Coronavirus has had a terrible effect on our world. It has also brought into sharper focus God's call on his Church to be a beacon of hope in dark times. This period has presented us with the opportunity – the necessity, in fact – to stop 'life as normal' and spend time intentionally seeking God as a diocesan family, asking for his guidance for the next stage of our life together.

We must not lose this moment, so I am inviting you – the individuals, young people, families, church communities of our diocese – to join me this autumn in engaging people in a prayerful conversation around three questions:

- What are we noticing – of God's movement at this difficult time?
- What are we learning – as we reflect on how God seems to be moving?
- What might we let go of or allow to die – so that we may enter a new future with God?

I am hugely grateful to our wonderful Mission and Ministry, Communities and Partnerships and Children and Young People's teams who have worked hard to produce a range of resources to help us all to consider these questions, listening to God and to one another.

Please join the conversation ... and please tell us what you are hearing, so that together we can shape our future life as a diocesan family.

PRAYER UPDATES

You can find the various resources for the listening conversation here:

<https://www.canterburydiocese.org/listening>

The idea is for groups and individuals to begin using the resources together in September, but do have a look now to familiarise yourself with what's there.

Since prayer is fundamental to listening, we have done some work around prayer practices which help us listen more deeply. You can reach them from the main resources page (linked above), but in case you want to get straight to them, they can be found here:

<https://www.canterburydiocese.org/content/pages/documents/1595944391.pdf>

2. COVID-19 Prayer Podcast Series

Saturday 25th July was the last in my COVID-19 Prayer Podcast series, and I finished by reflecting on the complex business of being guided. You can listen here:

<https://soundcloud.com/canterburydiocese/weekly-reflection-250720>

The whole series has been archived on our own website too, so you can revisit any of the 18 podcasts here:

www.canterburydiocese.org/weekly-reflection/

3. August Calendar of Prayer

August's calendar is available to download now. Some of you will, I suspect, be delighted to hear that there is a booklet version available for download this month. We will endeavour to keep providing this option every month as it seems rather popular ... who ever said feedback doesn't work!

Visit this page to find the calendar in several different formats:

<https://www.canterburydiocese.org/strategy/prayer/prayer-resources/calendar-of-prayer/>

PRAYER UPDATES

4. A Prayer for a Strange Summer

I offer this prayer, as we step into a summer unlike any we've ever known ...

Lord of times and seasons, we give you thanks for summer days;
For the long hours of daylight and the joy of being outdoors.
We give you thanks for the rhythms which so often bring us to rest and holiday at this time of year,
Yet we remember those for whom these coming weeks will feel anything but restful:
For NHS staff and other keyworkers still working long hours because of the Coronavirus pandemic;
For parents caring for children after four months of home-schooling;
For our clergy and leadership teams working towards the re-opening of churches at a time when they would normally be taking a break;
For leaders in local government, statutory agencies and charities making hard decisions in the face of funding cuts;
For those still shielding after so long at home, yearning to see friends and family;
For those suffering the long-term effects of Coronavirus and wondering if recovery will ever come;
For all on whom the months of lockdown have taken a particular toll;
Lord of times and seasons, pour out your restoring, renewing grace on us all,
And bring us to a place of flourishing this summer, whatever our circumstances may be.
Amen.

If you know of anyone who would like to be added to this mailing list to receive prayer updates like this, please ask them to complete the form at this link:

www.canterburydiocese.org/prayer

and I will add them to the database.
