MEMORIAL SERVICE FOR THE BEREAVED

SUNDAY 31ST OCTOBER AT 4.00PM

ALL SAINTS CHURCH

After two years of not being able to hold our annual Memorial Service, this year we are holding our Service to remember our loved ones. We are however conscious of on-going Covid infections and so we are taking extra care. If you have not received an invitation and you are planning to come, please contact the Church Office with the number of people and telephone number for Track & Trace. We advise that face masks are worn. Please do not come if you have coughs or colds. If you do have the opportunity please take a lateral flow test before attending.

CHANCEL FLOOR PROJECT UPDATE

Two earth cut tombs have been clearly identified and one intact brick-built Vault. It seems likely that there is at least one other brick vault although it is not clear if that one is still intact. There are certainly a number of other earth cut graves.

One of the graves located under the arch into St George's chapel was placed there after cutting through the foundation step of the arch. (This was not uncommon and is not seen as a problem).

The Archaeologist has some more work to do recording the scene.

A report is being written and the Structural Engineer has been invited to inspect the site.

The holes will not be filled in immediately as there are likely to be a number of authorities who need to inspect them. The current four holes may provide sufficient information although I am expecting that at least one further hole will be required. As soon as I have any official results or more detailed information I will let you know.

Although the holes are covered, the excavations have shown that the surface under the stone slabs, and where the earth is uncovered, is not well supported underneath; however it has developed a hard but fragile crust. Having been disturbed this crust may give way.

We therefore plan to put up the following Notice. Please encourage people to respect this for their own safety (and insurance purposes):

October newsletter:

Our purpose as the Weald Family Hub is to make professional mental health support available, accessible and affordable to as many children, young people and families in the Weald as we can.

Read below to find out about **World Mental Health Day** and what its focus was this year. Discover some recent **fundraising successes** in support of the Hub and in addition we've curated some links and references to **mental health videos and content** released on and around World Mental Health Day which you might find helpful.

World Mental Health Day

Sunday 10th October was World Mental Health Day. The day aims to raise awareness of mental health issues and to mobilise efforts in support of mental health in its many facets. The theme for this year's day, set up by the World Federation for Mental Health, was 'Mental Health in an Unequal World'. The day highlighted that access to mental health services remains unequal. Many people with a mental illness do not receive the treatment that they are entitled to and deserve. The Pandemic has compounded this along with a significant disruption to mental health services during this time. Yet there can be cause for some optimism. Awareness days and continued advocacy for mental health services is raising it on the Government's agenda. In May this year it was announced that the NHS was accelerating its plan

to boost mental health support for children and young people in England, potentially giving more than a million children access to support at school. Until that support is felt locally we are committed to continuing to help as many children, young people and families as we can.

Dragon boat race success

Louise, the Weald Family Hub co-ordinator, her son Charlie and the team at Catch A Fire raised an amazing £1636 and came a respectable 9th out of 20 teams in the Dragon Boat Race at Bewl Water last month. "It took grit, determination and a surprising amount of strength and co-ordination" said Louise "but it was an absolutely amazing effort from the whole team, and thank you to everyone that supported us".

Puzzle sale raises funds for the Hub

A huge thank you to Bridget, our mentoring team co-ordinator, and fellow puzzle enthusiast Victoria for running a puzzle sale at Heath Stores in Horsmonden that raised a most wonderful £370 for the Hub.

Talking to some of the keen puzzlers on the day, they said that puzzles had really helped them throughout lockdown to help keep them occupied and focussed. The lockdown saw a massive upsurge in puzzling in many forms and had, and continues to have, many benefits for mental and physical health for the young and old alike.
